

# Whisper MAX

ScentAir Whisper™ MAX with Wi-Fi & Bluetooth is a connected high-velocity system that delivers discrete fragrance coverage for medium spaces. Ideal for spaces where placement flexibility is a must.

**Available in:**

<b>Product Name:</b>	Whisper MAX
<b>Coverage</b>	Up To 2,000 sq ft (186 sq m)
<b>Mounting Options</b>	Wall Mount & Freestanding
<b>Service Available</b>	Ezee Clean Full-Service
<b>Regional Availability</b>	Global

Great for creating zoned impressions in medium and small spaces like salons, spas, and retail spaces where flexible diffuser placement is important.

**Patented Design**

Maximizes fragrance diffusion regardless of device orientation

**High Velocity Fan**

Boosts air velocity by more than 67% versus other ScentAir Whisper diffusers

**Smart System Control**

Manage using the ScentAir app or pair with Amazon Alexa or Google Assistant
